

Competition Checklist

DO NOT RELY ON ANYONE ELSE TO HAVE THE NEEDED SUPPLIES!!!!

Please be sure to bring lots of extra safety pins!!! There is no such thing as too many! A lot of times these can be the saving grace to securing costumes and accessories!

Hair:

It is crucial to use level 4 or 5 hair gel when pulling their hair back!! Hairspray alone is not enough to keep everything slicked down and in place. This will also help give you a strong base when securing hairpieces to their head. Please use extra bobby pins and a hairnet when you are making their buns. Thick, strong hair ties should be used.

Every caboodle should be fully stocked with extra bobby pins. Again, there is no such thing as too many!

For those of you in multiple numbers, we suggest investing in a rolling tackle box or makeup trolley that you can store everything in. The more organized you are, the easier the competition and performance weekends will go! I've attached links to all the cool gadgets and backstage hacks below:

Some suggested items that may help keep your competition weekend as organized as possible:

Makeup Trolley: <http://a.co/iMXh1I2>

Tackle Box: <http://a.co/cv8r0St>

Closet Trolley: <http://a.co/gSxOsela>

Garment Bags: <http://a.co/3040rLQ>

(I find a garment bag with pockets is the best so if any accessories/shoes are needed for a particular number they are already with the costume)

Hangers: <http://a.co/79QxKut>

(Costumes come in all kinds of crazy pieces-the clips can be the easiest way to hang it)

Stools/Chairs: <http://a.co/93syUTi>

(A stool or travel folding chair can be helpful as most dressing rooms are set up in big empty conference rooms or classrooms)

Privacy Tent: <http://a.co/1DDoVsf>

(Keep in mind some dressing rooms may not be large enough to allow use of a privacy tent)
